Fall Adult Trip

1. We call this trip our Adult Trip because most children are back in school and people without the responsibility of children can freely participate in this trip. We also encourage those who are older and may not want to travel with teenagers to try this trip. We do not see age as a hindrance to your ability to participate, as long as you have approval of your doctor.
2. This trip will include ministry of all types: visiting schools, home visits, attending local churches, donating clothes, school supplies, gifting bibles, livestock, garden hoe or other ministry.
3. Each team and trip is different and details and schedules are set once our team is established. We like to know what your gifts, talents and callings are so we can use them for the kingdom of God.
4. Please share your gifts on the application so we can incorporate these in our ministry.
5. You may be asked to share your testimony, a word of encouragement or be the guest speaker at a church or a school, if you feel led. These are opportunities we will give you.
6. Deadline to sign up for this trip and pay the \$500 non-refundable deposit is April 1, 2025.
7. You must fill out an application and be approved to travel with In the Garden Missions.

If you believe this trip is for you, please go to our **Trip Portal** and download our 2025 Information pack for the full details.
